

Goodmorning, my name is Hannah Jaccard  
and when I grow up I want to be a

 on a .  Its really fun to go on

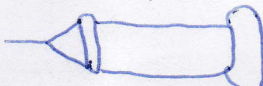

a  and I like to help .   
(Doctor) (Cruise Ship) (People)

Some of the things Doctors do are:

\* Check ups 

\* They fix broken bones 

\* They help sick people 

\* They give people shots to keep them  
healthy 

\* They give out cool stickers

I like my  (doctor) because she always  
lets me use her  to hear my

 beat.  
(heart)

Thank You!
